TECHLEARN SOLUTIONS

Internship Offer-Cum-Appointment Letter

Date: 10/02/2026

Dear Manvik Talwar,

Welcome to the TechLearn Internship Program 2026.

We're excited to have you join the TechLearn team as a Backend Intern for an 8-week internship. During your internship, you will contribute to the TechLearn Solutions platform, focusing on building, maintaining, and optimizing backend services, APIs, databases, and core system logic. Based on your performance, you may also be involved in additional ongoing projects.

Internship Details

- Duration: 8 weeks (from the date of receiving of this letter)
- Type: Non-stipended internship
- Schedule: 4 hours/day, Monday to Friday

Internship Focus

- Build and improve backend features relevant to your internship role
- Develop and maintain APIs, server-side logic, and database integrations
- Ensure performance, scalability, and security of backend systems
- Collaborate with frontend and full-stack developers for smooth integrations
- Follow good development practices and write clean, maintainable code
- Adapt to evolving product requirements and technical challenges
- Outstanding performance may lead to future opportunities with TechLearn

Perks

- Internship completion certificate upon successful completion
- Real-world experience working on live production systems
- Priority consideration for future paid roles within TechLearn

Your team details and onboarding information will be shared via email after all required documents are signed. If you have any questions at any point, feel free to reach out.

Welcome aboard Technaut— let's build something impactful together.

Sincerely,
Vinanya Vasi
Human Resource Manager
TechLearn Solutions

Internship Policy & Code of Conduct

Effective Date: 10/02/2026
Applies To: Manvik Talwar - Backend Intern
Organization: TechLearn Solutions, India

1. Introduction

Welcome to TechLearn Solutions.
This document defines the terms, responsibilities, and conduct expected during your internship. Acceptance of this policy is mandatory before the internship begins.

2. Internship Details

- Internship Role: Backend Intern
- Duration: 8 weeks from date of receipt of offer letter
- Mode: Remote
- Schedule: 4 hours/day, Monday to Friday
- Type: Non-stipended internship
- Tools & Access: Required repositories, tools, and communication platforms will be provided

3. Roles & Responsibilities

As an intern at TechLearn Solutions, you agree to:

- Build, improve, and maintain features relevant to your internship role
- Assist with UI components, backend logic, APIs, or full-stack modules as assigned
- Fix bugs and issues identified during testing or reviews
- Ensure basic standards of code quality, responsiveness, and performance
- Collaborate with team members and follow guidance from mentors
- Complete assigned tasks within defined timelines

Confidentiality, NDA & Declaration

4. Code of Conduct

- Maintain professional communication and timely responsiveness
- Respect deadlines, review cycles, and feedback
- Follow TechLearn's work ethics, technical standards, and instructions
- Avoid misconduct, misuse of access, or misrepresentation of work

5. Confidentiality & Intellectual Property

- All code, designs, documents, data, and materials created or accessed during the internship are the exclusive property of TechLearn Solutions
- Interns must not share, publish, or reuse company assets or code without written authorization
- All internal discussions, credentials, and project information must remain confidential
- Confidentiality obligations continue even after internship completion

6. Certificate & Future Opportunities

- An internship completion certificate will be issued upon successful completion and satisfactory performance
- High-performing interns may be considered for future paid roles, extended internships, or project-based opportunities

7. Declaration & Consent

By signing below, you confirm that:

- You have read and understood this policy
- You agree to comply with all terms during and after the internship
- Violation of this policy may result in immediate termination of the internship.
